- A Single, Print Ready PDF. We need a single, print ready PDF. All the pages need to be in one file.
- Individual, Consecutive Pages. We need the pages in the PDF to be in consecutive order, one page at a time (1, 2, 3, 4, etc.). We do not accept spreads.
- Multiple of 4 Pages. Page count must be a multiple of 4 (4, 8, 12, 16, etc.).
- CMYK Colors. Convert your PDF into CMYK colors.
- 100% Black Fonts. Convert all black text into 100%, true black (K). Black text that is a combination of CMY does not print well.
- 300 DPI Images. For best results, ensure that all your images are 300 DPI.
